# CREATED TO IMPROVE YOUR LIFE

Every year I am delighted to showcase our brand new luxury furniture and home accessories. Therefore it's my great pleasure to introduce the Eichholtz Furniture & Accessories Collection Book Volume 6 to you.

Next to our permanent collection I proudly present more than 900 new arrivals. Items of unmatched beauty that exceed the highest standards in design, quality and durability.

As in the bygone 25 years, we have again created interior pieces you'll love by adapting traditional crafts to modern demands. From sumptuous sofas to majestic mirrors, from classy cabinets to cosy cushions. All designed to personalise your home and increase your comfort.

"Details make perfection, and perfection is not a detail." This statement of Leonardo da Vinci is our motto, the guiding principle in everything we design. Our distinctive, opulent interior pieces are created to improve your life, both aesthetically and experientially.

Our comprehensive new collection is divided over two inspiring books: Furniture & Accessories and Lighting. We hope you'll enjoy meandering through the pages of these Eichholtz Collection Books as much as we've enjoyed creating them.

## Natural Beauty

Grains, knots and holes grant a unique appearance to each Eichholtz coffee table with a petrified wood tabletop. Characterised by natural black, brown, grey and white tones, these distinctive coffee tables are suitable for a variety of interior styles and colour schemes.

Petrified wood literally means: wood turned into stone. Trees that have been buried under sediment for many years can transform into stone. While retaining the original structure of the stem tissue, all the organic materials are replaced with minerals.
